- 

## PROFESSIONAL EXPERIENCE

**New Market Waste Solutions** – Charlotte, North Carolina

2018-Present

**Master Data Specialist, Contract Administrator, Systems Analyst & Financial Analyst**

*Established the responsibilities of entering and modifying data, requiring quality control of the data, and provided technological guidance to co-workers. Coordinated with leadership and co-workers to develop and overhaul the request process for executing new data entry and changes.*

- Documented SOP processes and streamlined a way to enter all customer services and sites into Microsoft NAV to optimize service changes, new sites/services, and the customer onboarding process.
- Handled customer's waste services, collected waste data for their invoices, and implemented all waste services into Microsoft Dynamics NAV.

### Major Accomplishments:

- Upgraded and moved data with correct terminology and accurate customer data into new systems over an 8 month period.

**Morningstar Properties** – Charlotte, North Carolina

2016

## Marketing Assistant

*Executed a full range of marketing responsibilities including brand redesign, marketing material development, inventory level management, and vendor visits. Partnered closely with senior management providing recommendations on marketing initiatives and operational improvements.*

- Assessed and updated the brand; developed a full suite of merchandising inventory and multi-media marketing campaigns showcasing the newly redeveloped brand.
- Reviewed merchandise inventory levels and presented recommendations to senior management to optimize availability and sell-through levels.
- Completed on-site vendor visits to ensure product placement and inventory levels met marketing guidelines for increased profitability.

### Major Accomplishments:

- Brand redesign of all packaging merchandise improving marketability and consistency across all merchandise lines.

**IMEX Cargo/Realm Music Group**— Boston, Massachusetts

2015

## Design & Social Media Intern

*Supported two different business segments under the umbrella organization including the cargo shipment operation and the professional artist promotional business. Developed unique strategies for both businesses to increase visibility through social media campaigns, website development, and creating promotional marketing materials.*

- Developed and managed Hootsuite account; updated website content and artistic presentations.
- Created “word of the day” marketing strategy to keep social media accounts active and engaging to followers.

### Major Accomplishments:

- Designed a comprehensive artistic brand including website, album covers, posters, and pictures.

---
